PIGO[®]

Food Processing Machinery

Complete solutions
for Fruit & Vegetable
Processing

The Art of Processing

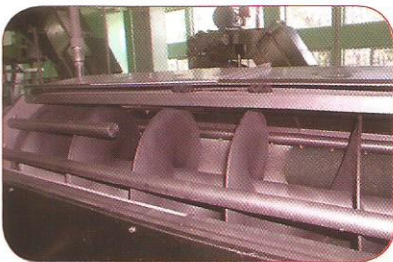

Some of machine families produced by PIGO srl

Acceptance

Conveyors & Elevators

Peeling
(mechanical & steam peeling)

Washing
(drum & air barbotage
& brushes solutions)

Separation & Calibration

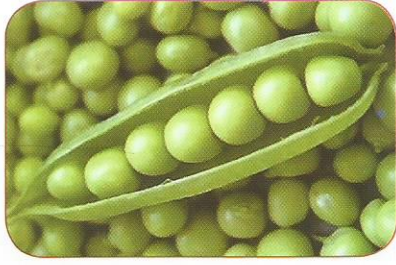

Blanching & Cooling
(drum & belt solutions)

Freezing Solutions
(EASY Freeze & EASY Freeze SPYRO)

Some of processing solutions produced by PIGO srl

Green peas processing

basic technological operations:

Acceptance, Pods Separator, Air Separator, Washing (Flotation, Rotation),
Grading, Blanching, Cooling, Inspection, Dewatering, Freezing

Green beans processing

basic technological operations:

Acceptance, Air Separator, Stone removal, Washing,
Pods Separator, Declustering, Green Beans Snipper,
Cutting, Blanching, Dewatering, Freezing

Root Vegetables processing

basic technological operations:

Acceptance, Soil Removal, Stone Removal, Washing, Peeling, Polishing,
Cutting, Blanching, Cooling, Dewatering, Freezing

French fries processing

basic technological operations:

Acceptance, Soil & Stone removal, Washing, Peeling, Sorting,
Cutting, Blanching, Drying, Equilibratio, Frying, Defatting, Freezing

Artichokes processing

basic technological operations:

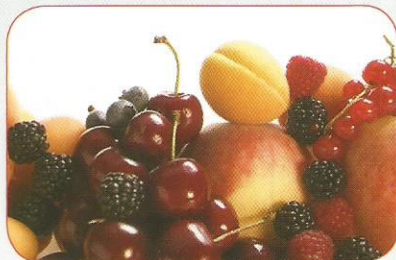

Peeling, Grading, Cutting, Washing, Blanching, Cooling, Sorting,
Dewatering, Freezing

Leaves vegetables processing

basic technological operations:

Acceptance, Insects separation, Visual/Optical sorting, Stone separation,
Washing, Blanching, Cooling, Dewatering, Forming, Freezing

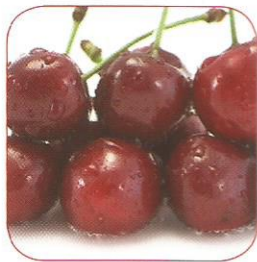

Fruits processing

general basic operations:

Acceptance, Destalking, Washing, Sorting, Inspection, Grading,
Pitting, Freezing, Packaging

P i G o[®]

Freezers & fruits & vegetables processing equipment and machines production

PIGO Food Processing Systems manufactures equipment for processing fruit and vegetables. We are providing complete processing solutions, all concerning fruit and vegetable processing. Production program covers following fields:

- EASY Freeze & EASY Freeze SPYRO stainless steel fluidized bed & spiral freezers
- COOLING / PASTEURIZATION spiral solution
- EASY Cook Vacuum cooking plants
- DEAERATION PLANTS, as preparation for freezing, for fruit cubes production

Complete fruit & vegetable processing
